Effectively Engage Your Target Audience.™

Thompson, Dorfman, Sweatman LLP

CORPORATE LOBBY DISPLAY

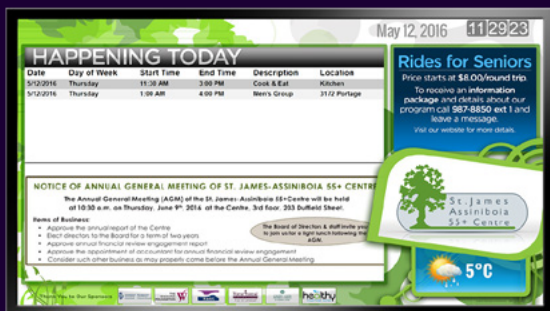

- Custom branded and designed presentation
- Regions for things such as; corporate news, promotions, services, licensed news feeds, current weather reports and stock market indices

Bodegoes Restaurant

DIGITAL MENUS AND MARKETING SCREENS [click to view live feeds](#)

- Custom branded and designed presentations
- Dynamic regions for menu item imagery, promotions, specials, social media feeds, custom scheduled "Interrupt Promotions" that briefly take over an entire screen to draw attention to special promotions
- Marketing screen is used to reduce perceived wait times by displaying value-added entertainment feeds such as news, sports and Hollywood updates, video content, restaurant promotions and specials, general information and third-party advertising
- Menu content and pricing is editable remotely allowing for timeliness, relevance and versatility
- Ability to day-part. Their menus are automatically scheduled to display breakfast menus in the morning and then automatically switch to lunch and dinner menus in the afternoon
- Brand consistency is important. With their digital menus they know that what is being displayed at one location is also being displayed the same way at other locations

St. James 55+ Centre
